ABOUT NUGENT

At Nugent we offer a diverse range of support to adults and children in Merseyside through our schools, care homes, community and social work services and social enterprise. We work at the heart of some of the most vulnerable and disadvantaged communities. We strive also to generate interest, awareness and an understanding of the issues they face and the impact of this on our wider communities.

We support on average 6,000 people each year. We are a major employer in the area, with over 700 staff and supporting over 200 volunteers. We advocate on issues of justice and fairness.

We aim to:

- Care, educate, protect and inspire those in need.
- Be an employer of choice.
- Be an advocate: a voice for the voiceless.

The origins of Nugent date back to the 1800's and the pioneering work of Father James Nugent (1822-1905) in relation to child welfare, relief from poverty and social reform. His work continues through Nugent and we are the social welfare arm of the Catholic Archdiocese of Liverpool.

CEO'S WELCOME

Dear friends of Nugent,

As I write this introduction the calendar year of 2017 is reaching it's conclusion. These last six months have been full of optimism and hope for the future. We are in a much healthier place, financially and culturally, than we were last year.

In truth, 2016/17 was difficult. We knew leading up to the start of the year it was going to be a challenge, and by goodness, we received many challenges. As a charity we were not alone, and I would like to thank other Merseyside charities for their empathy as we all try to navigate in these austere waters.

I am both humbled and proud of our staff and supporters who carried on ensuring that the service users of Nugent remain our primary focus. Ensuring their lives were filled with dignity, respect and compassion. Thank you for the courageous work you undertake every day ensuring our legacy continues on.

Many thanks also for the leadership and direction of Nugent's Governing Body and Trustees.

Of course, we had some very bright moments, including the success of our inaugural 'Strictly Nugent' dancing fundraiser, which has turned out to be such an inspirational event. And, our alignment with the 800 Group further allows us to recognise the great work of our volunteers. Thank you to our Patron, Phil Thompson for his support of Nugent, particularly at the annual 'Phil Thompson Golf Classic'.

It is these bright moments that make the dark days of winter fill with ambition to continue to care, protect, educate and inspire those in need.

**Normandie Wragg,
CEO**

CHAIR'S MESSAGE

Welcome to the Annual Report of Nugent, the official social welfare arm of the Archdiocese of Liverpool.

We continue to live in challenging times when the need for our services is growing and expanding and at the same time government and local authority funding continues to decline placing unique pressures and demands on our agency.

I want to take this opportunity to thank our dedicated staff team who, under the leadership of our CEO Normandie Wragg, continue to respond creatively and with ambition and courage to continue our journey to becoming a truly outstanding organisation; we are well on the way.

I would also like to pay tribute to our dedicated volunteers who make such a difference in the lives of so many people supported by Nugent. The work of my fellow Trustees and members of the Governing Body in facing challenges and continuing to steer Nugent forwards with hope and determination have been particularly appreciated this past year. Our staff, volunteers and supporters make a

real difference in the lives of many people and communities in many different ways through Nugent's diverse projects and services.

Pope Francis continues to inspire us here at Nugent, the wider church and indeed many people of goodwill. Recently he launched the inaugural World Day of the Poor with the wish that:

"Christian communities will make every effort to create moments of encounter and friendship, solidarity and concrete assistance."

Nugent embodies that wish by reaching out, listening, and responding to the call of so many vulnerable children, adults and communities. I hope you find in this report the real examples of encounter and solidarity that make Nugent what it is today, continuing the vision of our founder Father James Nugent to be a friend to all in need.

Fr Michael Fitzsimons

In particular, the Trustees consider how planned activities will contribute to the aims and objectives they have set.

Developments in Existing Services

- Volunteer and Community Team - contracted with Knowsley for the Befriending Project Opening Doors Service from November 2014. Funding has been secured for a further year to develop this project.
- All services continue to develop against the Strategic Plan and the Business Plan of their service.

New Services Development

No services were opened this year, however, new services will be developed over the next three years as per Nugent's Growth Plan which is in alignment with the Strategic Plan 2016-2020.

Service Closures

A few services that were financially unsustainable were closed. These include:-

- Geel & Hitchen Court (most staff were redeployed within Nugent)
- Creative Vision
- Hear Here project

Other Developments

In 2016/2017 we rebranded as 'Nugent' as a working name. We remain registered with the Charity Commission as Nugent Care. Nugent's Trustees approved the investment into the modernisation of both our front line care management system and our back end management information system. This will allow Nugent to access and share information using a software solution. Embedding of this system will continue into 2018.

Employee involvement and employment of disabled persons

Employees are consulted and informed on issues of concern to them by means of regular staff meetings, e-newsletters and Executive Leadership Team member visits to projects. The charity offers an exit interview for all staff resigning from the organisation.

The charity has a positive approach to the employment of disabled persons. It ensures that all people with disabilities have proper access to their right to Equal Opportunities, both to enter employment with the Charity and also to progress their career and achieve their individual potential.

The charity's systems are effective and rigorous in their compliance with statutory requirements and clearly defined procedures are in place to ensure fair and equitable consideration in the selection process for disabled applicants.

The charity is committed to maintaining equality of opportunity for the training and career development needs of disabled persons. For those colleagues in-service who become disabled every effort is made, including re-training and other reasonable adjustments where appropriate, to facilitate their continued employment as members of the charity's staff.

FINANCIAL REVIEW

Investment policy and objectives

The Trust Deed gives the Trustees unrestricted powers to determine investment policy.

The Trustees appoint investment managers and have agreed arrangements for reviewing and assessing their performance and portfolio selection. All investment decisions are delegated to the appointed investment managers, but must comply with Nugent's ethical considerations. Nugent's ethical investment policy states that no investments are knowingly to be made in any company which generates more than 10% of turnover from military activity or 10% from the production or distribution of pornography and/or adult entertainment or more than 1% from the production of anything which threatens the sanctity of life.

The investment objective of the Trustees is to limit the risks to which the charity is exposed through its stockholdings, whilst maintaining the portfolio's capital valuation in real terms, and to provide an income stream to support charitable objectives. The instructions to the investment managers reflect this objective.

The listed investment portfolio increased in value by £539,000 to £11,485,000

(2016 - £10,946,000). This included the withdrawal of £1,000,000 to support working capital requirements. The portfolio produced an income stream of £412,000 to support our charitable activities.

The investment property is valued at £1,125,000 (2016: £1,100,000). We plan to sell the property in 2017/18.

Reserves policy

Nugent is a charitable trust with activities dependent on donations, legacies and other charitable gifts. It also functions as a service provider, managing fees and grants from statutory bodies for specific activities, projects and services.

Reserves are held to enable Nugent to meet its legal and moral commitments to the people it serves and its obligations as a good employer. The specific purposes of the reserves held are to enable the Trustees to:

- Cover the financial risks involved in providing the level of services and activities already approved;
- Provide for the development of existing and new services appropriate for the charity; and
- Meet the shortfall between expected levels of fundraising and the economic cost of activities wholly or partially dependent on voluntary funds.

The Trustees consider and review the appropriate requirements for free reserves (being those unrestricted funds not expended on fixed assets, designated for specific purposes or otherwise committed).

After deducting designated funds, uncommitted reserves freely available for current activities decreased by £2,866,000 this year to produce an accumulated deficit of £622,000. This is mostly due to the operating loss in the year.

The Trustees have assessed the attendant risks and are satisfied that, given that the charity's operations are substantially funded from statutory sources, the level of resources is sufficient to meet them.

The pension funding debt of £2,030,000, which was the balance of the debt that crystallised when the Merseyside Pension Scheme was closed to staff during the 2012/13 financial year, was repaid in full in 2016/17.

We will continue to review our reserves policy in line with our Trustee Risk Register.

2016/17 £1,308,000

Surplus/Deficit

The Statement of Financial Activities shows Net Expenditure of £1,132,000 after taking into account gains on investments of £1,637,000 (listed investments gain £1,539,000, investment property gain £98,000). This is compared to Net Income of £1,660,000 in 2016.

Reserves policy

Nugent's Strategic Plan is ambitious and rigorous in order to turn around the financial performance of the charity.

Nugent continues to operate within a difficult environment as a result of the financial constraints placed on Local Authorities with regard to the funding of adults' and children's homes. Fee increases are difficult to obtain from Local Authorities.

The Trustees regularly review operations to ensure that there is no jeopardy to the charity's objectives and that the level of approved deficit funding of some services provided is consistent with the longer term objective stated in the reserves policy.

Governance

Nugent has appointed a new Trustee

following the retirement of one of our long standing Trustees.

Significant Events

We have released investments to fund our cash-flow.

Existing Services - Major Capital Works

Nugent is implementing an on going Carbon reduction programme involving improvements to thermal efficiency and heating. We have recently replaced the boilers at Lime House and plan to replace the boilers at St Joseph's and Nugent House School.

Existing Service Development

The volunteer and community team will continue to set up projects sustained through volunteer involvement.

New Services

Nugent intends to develop new services in the coming financial year, including community development work, and social enterprises under the Nugent Social Enterprise CIC as the opportunity arises.

Nugent will also consider relevant service provision tender opportunities.

Nugent has increased our focus on new business/service development.

Land Disposals

The land at 38 Newarth Lane, Hesketh Bank has been valued at £250,000, the house has been valued separately at £120,000. We obtained planning consent and currently have an offer for the land only of £250,000. We have agreed Heads of Terms and entered into an exclusivity period with the purchaser for them to obtain a revision to the planning consent. We plan to market the sale of the house following the completion of the land sale.

The land at West Lane, Formby, where no service is provided, was marketed for sale. We are proceeding with an offer of £7.2m (subject to planning consent). We have agreed Heads of Terms and have entered into an exclusivity period with the potential purchasers.

Geel and Hitchen Court land has been put out to market and we currently have an unconditional offer of £1m. There is a legal charge on the land held by Liverpool CCG.

Ravenmeols Lane, Formby has been valued at £30k. We have received an offer of

£400,000 (subject to planning) and plan to enter into an exclusivity period.

The site of the former Blackbrook House in St Helens is proposed for disposal although Department of Education may have identified a source of Capital funding for the site. The outcome of this funding will determine the decision whether or not to sell the site. As the Freehold is owned by the Archdiocese, they will need to be consulted.

Livingstone Drive, Liverpool to be sold. We are currently awaiting the decision on planning but plan to progress an offer of £1,325,000.

Principles

To achieve our mission, all of our current activities and future development plans are based on the following principles:

- Ensuring our services will be of such a standard that we would be happy to receive them if we ourselves stood in need of them.
- The continuous development of a 'Service User first' culture and through this Service Users will attain influence and control over the service they receive.
- The provision of services through which we will endeavour to understand and respect traditions, religions and cultures of all people. We will promote equality, value diversity and respect the dignity, human rights and intrinsic value of every individual.
- The delivery of high quality, cost effective, traditional and innovative services to meet need.
- Being an Employer of Choice by creating a work environment and culture for staff and volunteers that encourages development and effective leadership.

FUTURE PLANS

In March 2016 the Trustees approved an ambitious four year strategic plan to ensure that the charity is rigorously preparing for the future. This includes raising the profile of the organisation, increasing income to the charity and decreasing unnecessary expenditure. Existing resources will be reassessed to ensure that the right resources are allocated in the correct position in order to facilitate the achievement of the Strategic Plan.

Nugent House School has a large role to play in the development and sustainability for the future of Nugent in accordance with the agreed Strategic Plan 2016-2020.

Nugent aims to continue to serve the needs of its community through the provision and adaptation of existing services and the development of new services. Nugent will continue to respond to relevant tender opportunities that fit with its mission and Strategic Plan, but also look for other development opportunities. We will ambitiously search out and enter into tender processes for block contracts with a view to increase our turnover and ability to help more people.

In 2018/19 we will take even bolder decisions within the charity to ensure that we are good stewards of charitable funds.

Our aim is to increase our charity shops by three, diversify our provision in line with emerging needs in the local authorities that we work in and increase our offer to service users.

New services will be fully self-funded through a variety of income streams such as grants, fees and tender bids, but there will be flexibility to develop some innovative services that are not initially fully self-funded. In making applications for new services, the service will be assessed for its adherence to Nugent's philosophies, strategic direction and objectives.

By divesting ourselves of some of our land assets we intend to increase our investments in our buildings and staff so that our service users benefit even more from positive environments but also to modernise our provision. We seek to ensure our services are financially sustainable. We will offer support to smaller, local charities so that the area will continue to develop grass roots care in a difficult economic environment.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes an unincorporated charity

Organisational structure

The Trustees direct the work of the charity through the Governing Body.

The Governing Body advises the Trustees on all matters relating to the charitable functions and service provision activities of Nugent. Within policies determined by the Trustees, the Governing Body has delegated powers to oversee the management of the charity, including professional issues relating to operation of services, staffing, training and financial management and control.

The names of the Trustees and Governing Body members are shown on page 28.

In 2015 the charity revised its Trust Deed. The Archbishop of Liverpool is now noted as the 'President' of the charity and the role of 'Controller' has been removed. The Archbishop of Liverpool, in accordance with the powers vested in him by the Trust Deed, appoints one Nominee to the Trustees; this is currently Nugent's Chair of Trustees,

Father Michael Fitzsimons. Further Trustees are appointed by a resolution of the Trustees in accordance with the powers vested in them by the Trust Deed.

Additionally, the Trustees, in accordance with the powers vested in them by the Trust Deed, appoint all members of the Governing Body. Governing Body members are recruited via an Equal Opportunities recruitment process to ensure a balance of skills and experience to oversee strategic and operational objectives. All new Trustees and Governing Body members undergo an induction process, and on-going training and yearly appraisal is provided.

Related parties

Nugent is intrinsically linked with the Roman Catholic Archdiocese of Liverpool and the incumbent Archbishop is the President of Nugent. This link is a contributing influence on the ethos, culture and objectives of the charity.

Nugent Social Enterprises CIC (NSE) was formed by Nugent. The Company is a community interest company and as such is a separate entity from Nugent but its activities are controlled by the management of Nugent.

The activities of NSE are not considered material to show a true and fair view and have not been consolidated into these accounts.

NSE was incorporated on 23 December 2013 and began trading in May 2014. Its accounts for the period ended 31 March 2017 show a deficit before exceptional items of £8,000 (2016 £33,000). It ceased trading in May 2017.

Risk management

The Trustees examine and review the significant strategic, financial and operational risks that the charity faces. They have established systems and structures for on going identification and monitoring of risks, and receive regular written reports relating to the operations and finances of the charity in all relevant respects.

The Trustees are satisfied that all reasonable steps are being taken to manage all identified risks.

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting

standards have been followed, subject to any material departures disclosed and explained in the financial statements;

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the Board of Trustees on 7 September 2017 and signed on its behalf by:
